COMPUTER SKILLS

Visit us for an introduction to computer use, with a focus on job search. Part 2 of this series introduces the names of computer parts and programs, how to create and email account, and how to apply to an online job posting.

OCCUPATIONAL DECISION MAKING & SECOND CAREER INFORMATION SESSION

Learn how to structure your occupational or career research. Learn about Second Career and the application process. This workshop is recommended for those interested in Second Career.

WHMIS WORKSHOP

Workplace Hazardous Materials Information System is a Canada-wide system for those who work with hazardous materials on the job. After completing this workshop, you will receive your certification.

CILISAT Testing – Become a Certified Interpreter with Cambridge YMCA

CILISAT testing will assess your language and interpretation skills through the following tests:

- Interpretation from English into selected CILISAT language
- Interpretation from selected CILISAT language into English
- Sight translation from English into selected CILISAT language
- Sight translation from selected CILISAT language into English

Certification is received if 75% is scored on the testing. A cost does apply for the testing

* The calendar schedule provides information on specific monthly programs in addition to the regular services and dates of programs offered outside of our regular business hours.
