

Dear Member,

We hope you are continuing to stay healthy and well as we move through the fall. We are continuing to do everything we can to make our Y a safe place for you to get well and stay well. Please take a few moments to read through our latest updates below.

Still on hold?

If there's anything we can do to help make you feel more comfortable about returning to the Y, we're here for you. We're happy to set up a personal tour, so that you can see how we're keeping you safe, and we can even offer you a few opportunities to try us for free. Please reply to this email and I will be happy to connect with you.

No YMCA Access for Visitors from Modified Stage 2 Areas

In our continued efforts to help curb the spread of COVID-19, visitors/members from an [area currently in modified Stage 2](#) will not be allowed access to YMCA of Three Rivers locations in Guelph, Stratford-Perth and Waterloo Region. Anyone who visits our Ys to purchase a day pass or any other service will have to show government-issued ID with proof of residence. This action, in addition to many of the existing safety protocols we have in place, is being taken in an effort to keep our community safe.

Children's Programs

Even though our program sizes are limited to keep you safe, we still have lots of room in many children's programs at our Y, including swim lessons! Please take a look at our schedule below and [register online](#) or send an email to info@ytr.ymca.ca if you have questions.
