EarlyON – Riverside

Drop In, Stay, Play and Explore with us!

Come anytime. We are located at 250 William Street in Elmira. It is on the 2nd floor and is co-located with Riverside Public School.

Our drop in learning environment is open any time our centre is open. We provide a variety of developmentally appropriate fun and interactive learning opportunities for you and your child to explore together. Build connections with others while exploring play based learning with your child and other families. Have a question? Looking for a resource? Ask an EarlyON facilitator for support, information or resources. Come visit us today!

Child and Family Centre

Connections and Referrals

Knowing where and how to access services for your family can be a challenge. EarlyON Child and Family Centre's are a one stop hub of information and resources where you can meet with community professionals to get answers

to questions about your family's well-being. We understand the challenges families are facing today, and are here to help. To access dates for on-site community supports at other EarlyON sites in Waterloo Region, visit www.earlyyearsinfo.ca/services.html.

Program Registration

Program names that are in colour require pre-registration. Please speak to an EarlyON team member to learn more.

Planned Closures

All sites will be closed Saturday May 19th and Monday May 21st for the Victoria Day Long Weekend.

Unplanned Closures

Please check our Facebook (@EarlyONWR) and twitter accounts (@EarlyONWR) and 570 news for unplanned closures.

Health and Wellness

We try to minimize illness by practicing good hygiene and disinfecting toys regularly. Children who are too ill to play, to attend childcare, or to attend school are too ill to come to the EarlyON Child and Family Centres. We follow Public Health guidelines and ask that you return to the centre after he/she is free of diarrhea and/or vomiting for 24 hours. Many babies and very young children attend the EarlyON Child and Family Centres and these children play and learn by mouthing objects. If you or your child shows signs of high fever, vomiting, diarrhea or other contagious illness you will be asked to leave the centre until you are well.

Whether you are looking to stay for the day or just a couple of hours, your family is welcome to bring a meal or snack and eat together with other families in our drop-in. We are not an allergy free site. Please notify our team if you or your child has severe allergies so we can notify the families on site during the day of your visit.

Social Media

We would love to connect with you and your family on social media! If you take a picture of your family enjoying our sites, please share the picture with us on-line. Ask questions, learn up to date information and learn about programs and resources for your family.
